REDS 750ML

CHAPOUTIER BILA-HAUT COTES DU ROUSSILLON VILLAGES

France. From famed Rhone winemaker Michel Chapoutier comes this most agreeable red from the Cotes Du Roussillon area in the Languedoc. This baby is jam packed with stunning fruit, soft tannins and mild acidity. All these attributes make for a great modestly priced wine. It is hard to find any faults with this wine. It is that good. This deep full bodied dry red is a blend of Syrah, Grenache and Carignan. Enjoy it with anything roasted or grilled.

PAXIS

Portugal. Here is a great dollar value juicy red blend. Portugal is the land of value in my opinion. So many great wines are coming out of there at such low price points. Paxis is no exception. If you are a fan of red blend wines, you will love this. Ripe, rich and full bodied. Loaded with amazing fruit and so easy to drink just by itself. Great wine for a get together with family and friends.

CAPARZO SANGIOVESE

Italy. Superb dollar value Tuscan Red right here. Once you try this I believe it will be a wine you will reach for time and time again. It is a medium-bodied dry red. Fresh, lively and not an oakly monster. Just good honest Sangiovese fruit coming from a great producer. Sometimes the simplest things turn out to be the best. Have it with pasta of course, but burgers, pizza, and roasted meats of all kinds as well. Except of course Piping Plover.

BARBET CHATEAU DE FLEURIE

France. It is difficult for me to convey my thoughts in such a small paragraph, but I will start by saying this: If you are not drinking Beaujolais wine (like this) you are missing out on great drinking wines! This Cru Beaujolais is from the area (town) of Fleurie. This is not the average Beaujolais that we all know. To get the higher Cru status, vineyards must adhere to stricter laws; lower yields, hand picked grapes and location; as in better soil and exposure to the sun, etc. All these things combined are what make the Cru wines stand out. Frankly put: Only the finest go in. This 100% Gamay grape wine is a medium-bodied dry red with soft tannins, succulent fruit and just sheer drinking bliss. Have it with all white meat dishes.

VIÑO SAN ESTEBAN MALBEC

France. Check out the price on this well made French treat. Bursting with fruit, this full-bodied, well rounded dry red is richly textured and easy drinking. It's a real crowd pleasing super sipper. As Charlie Sheen would say: Winner!

LA FIERA MONTEPULCIANO D'ABRUZZO

Italy. Here is that down-to-earth value driven everyday red that you have been looking for. This full-bodied dry red is the perfect pasta, pizza, burger - you name it wine. It's a mellow, soft, fruit-driven red made from the Montepulciano grape in Abruzzo. Great quality dry red at an unbeatable price!

UNDERWOOD PINOT NOIR

Oregon. Oregon is renowned for making world class Pinot Noirs but they usually fetch a pretty penny for their. Not this one! Silky smooth body, ripe bright fruit, and low acidity make this medium bodied dry red go down real easy. It's so good that you will want to buy two at this price!

MATCHBOOK ARSONIST

California. Most know the Matchbook Winery from their outstanding Cabernet Sauvignon. The Arsonist is their red blend and it is a monster of a blend. This is a very full-bodied, fruit-forward, juicy dry red. Everything about this wine is big. Pick up the bottle and you will see what I mean. Plus 28 months of oak aging only adds more depth to this explosive red. Made from a blend of Petit Verdot (52%), Cabernet Sauvignon (24%) and Merlot (24%)

CAPOSTRANO VERDICCHIO DI MATELICA

Italy. Ahh Verdicchio. It was such a popular wine back in the 70's & 80's. It lost popularity in the 90's and early 2000's but seems to be coming back. Honestly I am glad to see it. It's not a fancy wine. No. Just an everyday wine to have with simple meals. Dry, clean fresh vibrant juice. Medium bodied and no new oak to this wine. Capostrano is a very good example of what Verdicchio is all about.

THIS COUPON Exp. 1/17/18 SA **8.59**

SKELETON GRÜNER VELTLINER

Austria. This is the super classic grape variety from Austria. Grüner Veltliner is such a food friendly wine because of its vibrant fresh fruit and no oak aging. This dry white is more on the lighter side (think of Pinot Grigio, but with more flavor). Match this with seafood, chicken, pork, salads or just by itself. And here is the best part, it comes in a liter size bottle! Not 750ml.

THIS COUPON Exp. 1/17/18 SA **8.99**

TRIMBACH PINOT BLANC

France. Here's a nice little change from Pinot Grigio or any other dry white for that matter. The grape variety, Pinot Blanc, produces a wine that is medium-bodied. As with all Trimbach wines, no oak is used. It's all about the soil and the grape (Terrior) not about manipulation in the cellars. As their sign states in their tasting room: "Say no to oak, let the fruit shine through."

THIS COUPON Exp. 1/17/18 SA **9.99**

GRAN DUCA PINOT GRIGIO

Italy. Here is that everyday, delightful, charming Pinot Grigio that you have been looking for. Just real honest easy-drinking Pinot Grigio that is quite affordable and very good. Chill it. Drink it. Relax with it. Great by itself or with salads, seafood, chicken.

THIS COUPON Exp. 1/17/18 SA **7.99**

CAMBRIA BENCHBREAK CHARDONNAY

California. Hailing from Santa Maria Valley in the northern part of Santa Barbara, which is fantastic for growing Chardonnay. Full-bodied and dry with a fairly rich mouthfeel. The wine is oak aged which imparts a little hint of vanilla. Have it with lobster, chicken and salmon.

THIS COUPON Exp. 1/17/18 SA **12.99**

PRINCIPESSA GAVI

Italy. This light, clean, crisp, dry white originates in the town of Gavi, in Piemonte. The grape in this wine is called Cortese. It's similar to a Pinot Grigio, but with a little more minerality. There is no oak aging to the wine. Enjoyable by itself or with pasta, seafood, and chicken.

THIS COUPON Exp. 1/17/18 SA **10.99**

CHATEAU MONTFORT VOUVRAY

France. This is a very easy drinking, off-dry white that matches up great with chicken, fish and spicy food. The grape variety in the wine is Chenin Blanc. You'll find a lot of fruit, but also acidity to keep it balanced and refreshing. Hooray for Vouvray.
