**YANGARRA SHIRAZ**  
*Australia.* What we have here is a really good Aussie Shiraz. Fruit, depth, harmony and balance. The grapes for this delicious Shiraz come from the McLaren Vale area. This area is a little cooler than other areas, so the grapes ripen slower and more evenly. That's where the balance and harmony come in. The old Shiraz vines that produce the fruit is where the depth and luscious fruit flavors come from. This is really a great job here from the Yangarra Winery. Enjoy this full-bodied dry red with steaks, roasts, ribs and of course lamb.

**PRINCIPI DI BUTERA NERO D'AVOLA**  
*Italy.* This classic grape from Sicilia really shows in this full-bodied dry red. It has a deep dark color and fruit tones to match. This Southern Italian staple is well rounded and smooth because of the low acidity and mild tannins. Enjoy it with things off the grill and roasts.

**DANTE DI FIORENZA CHIANTI**  
*Italy.* What a breath of fresh air Dante Di Fiorenza Chianti is. What I mean by this is that it is just a real solid dollar value Chianti. A very simple straight forward, drink-me-now kind of Chianti. It doesn't make you think too hard about it. It's not supposed to. It's just an everyday wine for those everyday dishes like pizza, pasta and burgers. Medium-bodied and dry with good fruit and an enjoyable finish. You can't really ask for more than that on something so modestly priced.

**MOSSBACK CABERNET SAUVIGNON**  
*California.* Wow. Check out this impeccably made tasty little morsel from the Chalk Hill Appellation. This is a very impressive wine to say the least. It is a full-bodied dry red that is rich, dense and multi-layered with ripe dark fruits. It drinks exceptionally well the moment it is poured, but gets even better as it evolves in your glass. A real pleasure to drink.

**MACMURRAY RANCH PINOT NOIR**  
*California.* Actor Fred MacMurray couldn't have envisioned how popular Pinot Noir would become after a movie like "Sideways", but it did and for good reason. Pinots are just so versatile, you can have them with almost anything...salmon and steak and everything in between! This is a juicy flavorful medium bodied dry red that is soft, mellow, and easy drinking. Just pop the cork and pour some relaxation. And don't forget Uncle Charlie!

**BROADSIDE MERLOT**

*California.* Remember the days not so long ago when Merlot was hot? The wines were great; soft and round, lush, full of fruit, and a real pleasure to drink. Then the movie Sideways came out and put Pinot Noir on the map. (I am not complaining). Merlot struggled after that. Vines were ripped up and replanted with Pinot. Winemakers made Merlot taste like Cabernet. Well Broadside Merlot brings back the old glory days of Merlot. Full, rich flavorful Merlot that is priced right. Try this single vineyard (Margarita Vineyard) Merlot from Paso Robles by itself or with roast pork, steaks, pot roast, etc.

**DOMAINE VISSOUX CHERMETTE CUVÉE TRADITIONNELLE**  
*France.* What we have here is just a stellar Beaujolais that is very impressive for its price point. The Chermette Family pours its heart and soul into its wines and it truly shows. This is not just regular Beaujolais here— this is Vieilles Vignes (meaning old vines). Vieilles Vignes produce smaller and intensely flavored grapes. This is a medium-bodied, dry red with copious amounts of fruit and light tannins. Extremely quaffable! Serve it slightly chilled if you like. One of my favorite reds in this price point.

**MOCALI I PIAGGIONI ROSSO TOSCANO**  
*Italy.* This is a nice, little, unknown, smart buy that shouldn't be overlooked. Mocali is known for making some incredible Brunello Di Montalcino. Though this is not Brunello, this 100% Sangiovese from Montalcino kind of gets you there for a fraction of the price. It is a medium to full-bodied dry red. Well put together, so to speak, between the fruit, acidity and tannins. A Tuscan Red of balance. Enjoy with roasted meats and Rocky Mountain oysters.

**TRIMBACH GEWURZTRAMINER**  
*France.* The Trimbach Family has been making wine in Alsace since 1626! Their commitment to quality is unparalleled to say the least. Almost every Michelin Three Star Restaurant in the world has Trimbach on their wine list. This is a full-bodied dry wine that is rich and pronounced. It has a wonderful spicy, fragrant nose. Great match with Asian, Indian and Cajun foods. Pork & Chicken too!

**MURPHY-GOODE FUMÉ BLANC**  
*California.* Here's a nice richly textured dry white. Fairly full-bodied with the classic Sauvignon Blanc citrus flavors and aromas. A nice round and smooth satisfying sipper that will match up well with shrimp, chicken and pork dishes. Also great by itself.

**FESS PARKER CHARDONNAY**

*California.* When Fess hung up his hat after playing Davy Crockett and Daniel Boone in the 50's and 60's he moved from Hollywood up to the Santa Barbara area. Here he eventually found and purchased a 700 acre ranch and built the Fess Parker Winery. This iconic winery is still family owned and operated and producing award winning wines year after year. This full-bodied fairly lush dry white sees a little bit of oak aging which imparts a nice touch of vanilla and toasty oak to the wine. That along with gorgeous Santa Barbara fruit makes for one heck of a Chardonnay at a very attractive price.

**LA FIERA PINOT GRIGIO**

*Italy.* Great quality straight shooter Pinot Grigio from the Veneto region. A real easy drinker because of the low acidity and abundant fruit. It's a medium dry white that is great by itself and also pairs nicely with seafood and all white meat dishes.

THIS COUPON Exp. 9/13/17 SA **6.99**

**MARTIN CÓDAX ALBARIÑO**

*Spain.* Spain's noble white grape Albariño shows best when it is from the Rias Baixas Region. This is a medium bodied dry white that doesn't receive any oak aging. Because of this you get a more vibrant, less heavy wine. There's not only good minerality, but plenty of fruit as well. Great with seafood. Also chicken and pork.

**CAPOSTRANO VERDICCHIO DI MATELICA**

*Italy.* Ahh Verdicchio. It was such a popular wine back in the 70's & 80's. It lost popularity in the 90's and early 2000's but seems to be coming back. Honestly I am glad to see it. It's not a fancy wine. No. Just an everyday wine to have with simple meals. Dry, clean fresh vibrant juice. Medium bodied and no new oak to this wine. Capostrano is a very good example of what Verdicchio is all about.

**DR. FISCHER RIESLING**

*Germany.* Let me be short and to the point. If you remotely like German Riesling or in love with it like I am, buy this wine. This is just fabulous Mosel juice right here. I call it an off-dry style meaning not really dry, but no too sweet either. So easy to drink that the bottle will vaporize before your eyes. Yes, it's that good.
